FEBRUARY NEWSLETTER

*A river that flows
A church that grows
A world that knows*

TELFORD was once dubbed 'the most godless town in Britain.' These labels are rarely helpful! As we look ahead in 2012, there are all sorts of signs that the church is alive, God's kingdom is growing and there is so much to celebrate. We're especially excited to see churches working together in new ways, including the children and young people. As Steve takes up his new role of Asst. Area Dean, please pray for wisdom and grace and the discernment to see where the Holy Spirit is at work and leading the churches. Let's see what God is doing and join in ☺

"Father.. let your kingdom come and your will be done, here in Telford."

Energize - the Urban Saints resource we will be using with River Kids provides a continual stream of adaptable, creative, biblically-based meeting plans for 5-7s, 7-10s, 11-14s and 15-18s.

It has loads of ideas and themes to encourage children and young people to grow in their walk with God. We're excited about using this resource and the fact that it will free up some more time for schools outreach.

PRAYER FOR THE MONTH AHEAD

LENT is traditionally a time in the church calendar to put time aside to draw close to God in prayer. We remember the

40 days which Jesus spent in the wilderness, preparing for his public ministry. LENT is often a time when Christians follow a pattern or rhythm of daily prayer which focuses on drawing close to God. LENT begins this year on WEDNESDAY 22nd FEB and continues until Easter week.

Maggie and Sioned are working on some prayer and devotional materials should help us to make the most of this season.
